

CPRS Tab by Tab: A Basic Orientation

<https://vatraining.remote-learner.net/mod/page/view.php?id=31386>

Lesson	Title	Time	Additional Resources
001	Introduction to CPRS Tab by Tab	1:27	
002	Setting up Access and Verify Codes → See ADPAC for login <ul style="list-style-type: none"> - Identify the four types of security codes used to access and work in CPRS. - Locate the VistA application on your desktop. - Observe how to create an electronic signature code. 	6:59 0:41 3:54 3:48	 Create E-Sig_Sig Block Title 20200615  Link PIV to VistA 20200615.pdf
003	Signing into CPRS <ul style="list-style-type: none"> - Locate CPRS application on the desktop. - Observe method to access CPRS using assigned access and verify codes. - Observe the multiple ways you can select patients from within CPRS. - Identify the purpose of a Patient Record Flag. - Differentiate between Category 1 Patient Record flag and Category 2 flag. 	10:41 0:38 0:55 1:52 8:28 8:28	See Lesson 25 for Custom Patient Lists  Remote Access 2FA via CAG 2019-June.p
004	Coversheet Tab <ul style="list-style-type: none"> - Observe how to resize data sections on the coversheet. - Observe the steps to enter a patient allergy. - Observe how to display detailed patient information from the coversheet. 	12:34 2:15 4:23 3:26	 Recent Immunizations 2020
005	CPRS Informational Header <ul style="list-style-type: none"> - Identify the purpose for each button on the CPRS Informational header bar. - Identify the importance of selecting the appropriate Patient Location. - Observe how to create a new outpatient appointment with CPRS. 	14:39 0:54 3:23 5:29	 COVID-19 GUI Banner 200513.pdf
006	CPRS Chart Menu and Selections <ul style="list-style-type: none"> - Observe how to change patient records with CPRS. - Describe the functionality of Clinical Context Object Workgroup (CCOW). - Observe how to break and rejoin patient context link. 	8:09 0:48 1:38 2:40	 SFVA CPRS Tools Menu 20200612.pdf

007	Problems Tab - Identify the types of problem list views available within the Problems Tab. - Observe how to appropriately enter a SNOMED code into the patient record with the Problems Tab. - Observe how to annotate an existing problem.	17:21 0:50 5:57 13:13	See Lesson 16 for Encounter
008	Meds Tab - Views - Identify the four types of medication order that are viewed on the Meds Tab. - Define the different medication order statuses. - Describe the information found in the detailed view of each medication order type.	10:42 0:25 5:13 7:23	See Lesson 24 for Customization
009	Meds Tab – Action - Identify actions that can be taken on existing medication orders from the Meds Tab. - Explain how to order new medications on the Meds Tab.	12:00 0:23 7:03	
010	Orders Tab - Views - Identify location of a current display view. - Observe how to change display view. - Observe how to create a customized view.	9:18 3:10 3:48 6:45	More information to follow on Auto DC/ Release event use for finding prior active orders on inpatient
011	Orders Tab – Writing Orders - Observe how to write orders from the order menus. - Observe how to write a complex med order. - Describe the functionality of an order set.	12:13 2:39 4:46 7:38	 SFVA CPRS Order Menus 20200615.pd  Medication Ordering Tips.pdf
012	Orders Tab – Event Delayed Orders - Describe when you would use the write delayed orders functionality - Observe how to toggle between immediate release ordering and delayed release ordering. - Identify risks associated with using delayed orders.	12:44 1:08 10:27 10:48	 Obs Ed Instructions - Physicians 201911.1  Admit to OPR Order Instructions 201810:  Writing Delayed Orders 20200615.pd  Admit to EDa - No need for delayed on More information to follow on Away Sick in Hospital (ASIH)
013	Orders Tab – Personal Quick Orders - Observe how to set an order to send notification when resulted. - Observe how to flag an order for clarification. - Observe how to create a personal quick order.	14:13 0:40 3:50 6:19	 Entering a National RTC Order 20180301

014	Notes Tab - Identify the meanings of the icons displayed on the Progress Note tab. - Observe how to change display view. - Observe how to create a custom view.	9:54 6:56 1:20 4:07	
015	Notes Tab – Writing Notes - Observe how to write a progress note. - Observe how to access and use shared templates and patient data objects. - Observe how to process a clinical reminder.	17:50 1:20 5:26 12:45	See CPRS Template Drawer SFVA Overview 2020 and CPRS Template- Copy Shared to Personal SFVA 2020 on SFVA CPRS site .
016	Notes Tab – Encounter and Consult Resolution - Observe how to complete an encounter form. - How to complete a consultation request via the notes tab in CPRS.	10:38 Skip* 6:23	 Encounter Training 20200617.pdf Skip to 6:23 for Consult Resolution
017	Consults Tab - Observe how to view and order consults. - Identify the various actions that can be taken on a consult. - Observe how to complete a consult with a progress note.	17:59 1:05 5:54 14:39	 Consult Toolbox_Launching More information to follow on Community Care
018	Surgery Tab - Identify the meaning of the surgery icons. - Identify the three type of reports that can be found on the Surgery Tab within CPRS.	8:54 2:43 1:30	 Surg Dictation Instructions 202006
019	Discharge Summary Tab - Identify two additional fields to enter a discharge summary. - Demonstrate how to link the discharge summary to the correct admission date.	5:27 3:40 4:39	
020	Labs Tab - Observe how to navigate the Labs Tab. - Identify the benefits of utilizing the Cumulative View for displaying lab result information. - Observe how to create a lab worksheet.	13:13 0:30 2:50 5:22	
021	Reports Tab - The different types of information that can be found on the Reports Tab. - How to adjust the date range and max number of report settings for individual reports. - How to retrieve remote data using the Reports and Labs Tab in CPRS.	15:12 0:30 5:00 11:10	
022	Using Joint Legacy Viewer (JLV) - Access and Log into JLV. - Customize and configure JLV for your use. - Display various types of health record data that can be retrieved from JLV. - Locate additional training materials for JLV.	10:43 0:30 3:20 1:50 1:38	We recommend using JLV training site .
023	Processing CPRS Notifications - Differentiate between Information and Action notifications. - Observe how to sort notifications within CPRS. - Observe how to renew notifications.	9:02 2:55 1:33 5:38	

024	Customizing CPRS Part I - Observe how to change Coversheet parameters. - Observe how to set a surrogate. - Observe how to customize the order checks you receive.	9:06 0:30 5:35 8:23	 Future Self Alerts 20200528.pdf  How to Set or Remove a Surrogate
025	Customizing CPRS Part II - Observe how to create a Combination List. - Observe how to create a Personal List. - Observe how to create a list of default Progress Notes.	16:05 0:30 5:28 10:16	
026	iMedConsent - Identify the types of documents contained within the iMedConsent document library. - Observe how to complete a consent form using iMedConsent.	10:34 1:28 4:15	
027	VistA Imaging Display - Identify the types of documents that can be found within VistA Imaging Display. - Observe how to view digital images. - Observe how to customize your display in VistA Imaging Display.	10:57 0:32 5:35 9:40	
028	VistA Web → VistA Web is decommissioned and replaced by JLV	Skip	We recommend using JLV training site .
